Annex Reference	ENVIRONMENTAL PROTECTION Standard or Recommended Practice	State Legislation, Regulation or Document Reference	Level of implementation of SARP's	Text of the difference to be notified to ICAO	Comments including the reason for the difference
	<p>Annex.</p> <p>Item 14. The approach noise level in the corresponding unit for documents issued under Chapters 2, 3, 4, 5, 8, 12, 13 and 14 of this Annex.</p> <p>Item 15. The flyover noise level in the corresponding unit for documents issued under Chapters 2, 3, 4, 5, 12 and 14 of this Annex.</p> <p>Item 16. The overflight noise level in the corresponding unit for documents issued under Chapters 6, 8, 11 and 13 of this Annex.</p> <p>Item 17. The take-off noise level in the corresponding unit for documents issued under Chapters 8, 10 and 13 of this Annex.</p> <p>Item 18. Statement of compliance, including a reference to Annex 16, Volume I.</p> <p>Item 19. Date of issuance of the noise certification document.</p> <p>Item 20. Signature of the officer issuing it.</p>				
Chapter 1 Reference 1.6 Standard	<p>1.6 Item headings on the noise certification documents shall be uniformly numbered in Arabic numerals, as indicated in 1.5, so that on any noise certification document the number will, under any arrangement, refer to the same item heading, except where the information in Items 1 through 6 and Items 18 through 20 is given in the certificate of airworthiness, in which case the numbering system of the certificate of airworthiness according to Annex 8 shall prevail.</p>	CARs.	Less protective or partially implemented or not implemented	A separate noise certification document is not specified.
