Airworthiness Directive Schedule
Giders
Lange E1 Antares
28 August 2014

Notes
1. This AD schedule is applicable to Lange E1 Antares powered gliders manufactured under EASA Type Certificate No. A.092.
2. The European Aviation Safety Agency (EASA) is the National Airworthiness Authority (NAA) responsible for the issue of State of Design Airworthiness Directives (ADs) for Lange E1 Antares powered gliders. State of Design ADs applicable to these aircraft can be obtained directly from the EASA web site. Links to NAA web sites are available on the CAA web site at http://www.caa.govt.nz/Airworthiness_Directives/states_of_design.html
3. The date above indicates the amendment date of this schedule.
4. New or amended ADs are shown with an asterisk *

Contents
* 2007-0077-E Rudder Cables – Inspection .................................................................2
* 2008-0182-E DC-DC Converter in the Hydraulic Management Module – Modification .........................................................2
* 2014-0182-E Electrical Power Capacitor Board – Modification ..............................................2
* 2014-0183-E Hydraulic Pump Shaft Coupling – Replacement ................................................2
* 2007-0077-E  Rudder Cables – Inspection
  **Effective Date:** 27 March 2007

* 2008-0182-E  DC-DC Converter in the Hydraulic Management Module – Modification
  **Effective Date:** 3 October 2008

* 2014-0182-E  Electrical Power Capacitor Board – Modification
  **Effective Date:** 5 August 2014

* 2014-0183-E  Hydraulic Pump Shaft Coupling – Replacement
  **Effective Date:** 5 August 2014
