

**NAVIGABLE AIRSPACE DETERMINATION: Arvida Queenstown Country Club - 420 Frankton-Ladies Mile Highway, Queenstown.
Location 45 00 00.34 S 168 46 57.64 E**

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Nicholas George John Jackson, Team Leader Aeronautical Services, having received from, Cook Brothers Construction Southern Lakes and Smiths Crane and Construction Limited, notification of intention to erect a mobile crane at Arvida Queenstown Country Club, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The crane is to be lit in accordance with Civil Aviation Rule Part 77, Appendix B; and
2. At its highest point the crane is not to exceed 50m above ground level (AGL); and
3. When a date for the crane operation is known, Cook Brothers Construction Southern Lakes and Smiths Crane and Construction Limited is to contact Daniel Dodd at Queenstown Airport to notify of the intended operation and request a NOTAM is issued for the duration; and
4. When the crane is lowered and no longer in use, Cook Brothers Construction Southern Lakes and Smiths Crane and Construction Limited is to ensure they advise Queenstown Airport so that any active NOTAM can be cancelled; and
5. When the crane is lowered and no longer in use Cook Brothers Construction Southern Lakes and Smiths Crane and Construction Limited is to advise CAA (Quote 2025-02160 to aeronautical.services@caa.govt.nz).

This Determination of Hazard shall become final on 13th March 2026 unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 2nd day of February 2026.

Nicholas George John Jackson,
Team Leader Aeronautical Services
