

NAVIGABLE AIRSPACE DETERMINATION: 280 Cumberland Street, Dunedin.

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Titan Cranes Limited notification of intention to operate a crane at 280 Cumberland Street, Dunedin conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, would not constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF NO HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The crane shall be lit with an appropriate obstacle light in accordance with Civil Aviation Rule Part 77, Appendix B; and
2. The crane must be equipped with a lighting system on the boom of the crane such that a helicopter approaching or departing from the Dunedin Hospital Heliport can visually discern the whole length and orientation of the boom; and
3. Titan Cranes Limited shall advise the CAA (aeronautical.services@caa.govt.nz) when the crane operating at the Cumberland Street site is no longer required.

This Determination of No Hazard shall become final on 14th June 2021 unless a petition for review is received by the Director prior to that date.

This Determination of No Hazard shall expire on 14th December 2022 or when the crane is no longer required, whichever is earlier.

Dated at Wellington this 17th day of May 2021.

Sean Turangarau Kere Rogers
Manager Aeronautical Services

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder
