

NAVIGABLE AIRSPACE DETERMINATION: Smith Crane And Construction Ltd Tower Crane Otago Research Facility

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Smith Crane And Construction Ltd, notification of intention to operate a Tower Crane at 303-309 Great King St, North Dunedin, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, could constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

- The crane is to be equipped with a flashing red light located at the highest practical point of the crane in accordance with Civil Aviation Rule Part 77, Appendix B; and
- The light is to operate at all times that the crane is elevated above surrounding buildings or terrain; and
- The CAA and HeliOtago are to be advised when the crane operations ceases at the end of the project and the crane is removed.

This Determination of Hazard shall become final on 28 February unless a petition for review is received by the Director prior to that date.

This Determination of Hazard shall not expire but may be revoked, in writing, by the Director.

Dated at Wellington this 7th day of February 2018.

Sean Turangarau Kere Rogers
Manager Aeronautical Services
(DW1347682-0)

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder.
