

NAVIGABLE AIRSPACE DETERMINATION: Fulton Hogan Limited - Increase in Boom Length of Crawler Crane Huntly

PURSUANT TO Rule Part 77 of the Civil Aviation Rules I, Sean Turangarau Kere Rogers, Manager Aeronautical Services, having received from Fulton Hogan Limited, notification of intention to increase the boom length of an 80 metre high crawler crane at Ohinewai, Huntly, conducted an aeronautical study in consultation with such persons, representatives and organisations as I considered appropriate.

After completing the aeronautical study, I am satisfied that the proposed action, if executed, would not constitute a hazard in navigable airspace.

THEREFORE I HEREBY ISSUE a

DETERMINATION OF NO HAZARD IN NAVIGABLE AIRSPACE

in respect of the above notification.

The following conditions are specific to this Determination:

1. The crane is to be equipped with an obstacle light located at the highest point of the crane, in accordance with Civil Aviation Rule Part 77, Appendix B;
2. The crane operator must inform the CAA when the crane is no longer in use and is dismantled.

This Determination of No Hazard shall become final on 9th day of June 2018 unless a petition for review is received by the Director prior to that date.

This Determination of No Hazard shall expire on 5th day of November 2019, or on the date that the proposed crane operation is abandoned, whichever is earlier.

Dated at Wellington this 14th day of May 2018.

Sean Turangarau Kere Rogers
Manager Aeronautical Services
(DW1349640-0)

The provisions of this determination are in addition to and not in derogation of the provisions of any other Act, or any orders or regulations made thereunder
