

Position Description

Senior Advisor, Commercial and Procurement

This position description is designed to give an overview of the type of work and performance required for this role and may include other duties as required.

Who We Are

The Civil Aviation Authority of New Zealand is the country's aviation safety and security regulator. We are a Public Service Crown entity responsible through our Board to the Minister of Transport. We regulate a wide range of aviation activities, from commercial airlines to private pilots, ensuring that all aspects of the industry meet the highest standards of safety and security. Our important work not only saves lives but also facilitates travel, recreation, commerce, and protects the environment. By ensuring a safe and secure aviation system, we provide confidence and safeguard the reputation of New Zealand, benefiting our country as a whole.

Our Vision and Purpose

Everything we do is related towards the achievement of 'a safe and secure aviation system – so people are safe, and feel safe when they fly'.

Our Pathways

We have three pathways that lead us to delivering our vision and purpose:

1. Leadership and Influence

Through regulatory leadership we influence a safe and secure civil aviation system for New Zealand.

2. Active Regulatory Stewardship

We monitor and care for the civil aviation regulatory system through our policy and operational responsibilities.

3. Professional Regulatory Practice

We act to identify risk and reduce it through intelligence-led intervention.

Our Values

Our organisation's Values support how we work to keep New Zealand skies safe and secure.

Collaboration - *Me mahi tahi*

We work together to achieve and succeed

Transparency - *Me mahi pono*

We are open and honest communicators

Integrity - *Me mahi tika*

We do the right thing

Respect - *Me manaaki*

We treat all people with consideration and kindness

Professionalism - *Kia tu rangatira ai*

We act in a way that brings credit to ourselves and our organisation

These feathers symbolise our Values, which are inspired by the sacred huia bird – a revered symbol of friendship, respect, leadership and mana.

Each feather in the Values has a different hue to reflect different aspects of the diversity, leadership, talent and experience our people bring to their work every day.

Our Values are us – we are many cultures, languages, genders, unique personalities and perspectives working together to achieve our Vision and Purpose.

Role Purpose

The Senior Advisor, Commercial and Procurement will provide expert and timely procurement advice and management of procurement activities across CAA.

This will include ensuring systems and processes are fit for purpose and leading enhancements to systems and processes.

They will lead more complex procurement processes and commercial projects as required and ensure consistency with required reporting and data collection.

- Lead the development and delivery of projects and key pieces of work focused on the development of new initiatives, programmes and policies across all aspects of commercial and procurement.
- Coach/mentor the Advisor, Commercial and Procurement positions with technical knowledge, and support the Manager, Commercial and Procurement required
- Build strong relationships across CAA, and works collaboratively with stakeholders, to ensure initiatives are informed by operational insights, are fit for purpose and meet operational needs in the execution of their commercial activities.
- Uses data, insights and robust analysis to ensure work is fit for purpose and able to be measured.
- Collates data on an as required basis either as input to other procurement projects, for internal decision support, and/or for internal/external reporting.
- Proactively work with managers to advise on timely and responsive solutions.
- Conduct analysis of whole-of-life costs, benefits and risks for procurement approaches, and develop options for approaches to market with rationale for the preferred approach
- Leads end to end approaches to market and contribute to contract management plans including managing assets, changes, risks and issues.
- Support the Manager, Commercial and Procurement by advising on strategies and transition plans for the expiry or termination of any existing, affected contracts and implement new operating procedures for any new supply arrangements.
- Ensures due process, accountability and transparency are upheld in procurement processes
- National oversight of third-party contracts

Competencies

Get Smart – Knowledge & Context: Level 2 ■■□

Understands the role of the Authority within the aviation sector, and has a holistic understanding of the regulatory environment, the structure and interrelated operating practices of the Authority. Follows the guidance and processes expected of all Authority employees as a modern, adaptive regulator, set out in policies, legislation, aviation rules and other internal documents.

Think Smart – Sound Judgement: Level 2 ■■□

Makes appropriate and transparent decisions by analysing relevant information, takes into consideration different points of view, demonstrating the ability to make difficult and/or sensitive decisions. Has flexibility to both adopt a course of action and change it when required by the situation.

Work Smart – Achieves Results: Level 2 ■■□

Drives change and results through effective planning, collaboration, and communication. Builds trust, fosters teamwork, and demonstrates self-awareness to achieve shared goals and continuous improvement.

Act Smart – Personal Effectiveness: Level 2 ■■□

Is adaptable and resilient to meet changing needs and expectations. Displays self-awareness and is respectful of diversity. Takes responsibility for self-learning and development. Demonstrates behaviours consistent with the Code of Conduct and Authority Values.

Skills and Experience

- Significant procurement or commercial experience, including understanding and advising on best practice commercial and procurement approaches within a public sector context
- Experience in mentoring/coaching other team members
- Relevant tertiary qualification or equivalent experience
- Ability to read, understand, interpret, and analyse complex documents, including legislation, financial, numerical, legal and business information.
- Strong experience in developing, sourcing, negotiating and managing supply arrangements (including supplier management)
- Proven experience in contract management and in helping to develop supplier relationship strategies and plans.
- Strong relationship building skills, with a proven ability to proactively develop effective relationships with internal and external stakeholders.
- Strong interpersonal, oral and written communication skills.
- High level of accuracy and attention to detail
- Self-motivated, collaborative and hands-on
