CAR 61.307(a)**

**PURSUANT TO** Section 37 of the Civil Aviation Act 1990,

**I, Graeme Harris**, Director of Civil Aviation, being satisfied that—

- (b) the risk to safety will not be significantly increased by the granting of this exemption,

**HEREBY EXEMPT—**

**Persons holding an E Category Instructor Rating**  
who may be required to give agricultural flight instruction

**FROM—**

the requirement in Civil Aviation Rule CAR 61.307(a) that the holder of a Category E flight instructor rating must not give agricultural flight instruction unless, within the immediately preceding 90 days, the flight instructor has carried out a minimum of 10 hours agricultural aircraft operations flight time in the same type of agricultural flying (topdressing or spraying) in the same category of aircraft,

**ONLY WITH RESPECT TO**

The activities detailed in CAR 61.305(a)(2),(4), and (5); and

**PROVIDED THAT—**

The person’s commercial pilot licence and agricultural rating are current.

This exemption shall remain in effect unless withdrawn in writing by the Director.
