NATIONAL CIVIL AVIATION (AVSEC) QUALITY CONTROL PROGRAMME WORKSHOP

(Auckland, New Zealand 6 – 10 October 2025)

1. SCHEDULE/LOCATION OF THE TRAINING

1.1 The opening session of the National (AVSEC) Quality Control Programme Workshop will be held at 0900 hours on Monday 6 October 2024, First Floor of the Auckland Aviation Security Service Training Centre. The duration of the workshop is five (5) days. The workshop will finish at approximately 3.30pm on Friday 10 October 2025.

1.2 The workshop will be conducted in English. All participants should be fluent in English as there are no translation or interpretation facilities.

1.3 This National (AVSEC) Quality Control Programme Workshop has been developed to provide candidates at the middle to senior management level within a State's authority who are also charged with development, approval and /or implementation of quality control duties and are experienced in operational aviation security (AVSEC) matters. It is also suggested, if any State is in the process of drafting or updating its National AVSEC Quality Control Programme, the individual dedicated to this task should attend the workshop.

NB: The National (AVSEC) Quality Control Programme Workshop is an excellent precursor for preparation and subsequent attendance at the ICAO National (AVSEC) Inspectors course.

1.4 The major objectives of the National (AVSEC) Quality Control Programme Workshop are to:

- Assist States in remedying Annex 17 deficiencies;
- Enable aviation security management personnel to develop effective aviation security quality control measures in order to implement ICAO Standards and Recommended Practices, security elements of other Annexes and any additional security measures required by the State;
- Assist in the development of documentation and implementation methodology;
- Assist in the maintenance of appropriate oversight and internal quality assurance procedures.
