Ref.: T 13/4.2.1 (2021) – AP007/21 (ASF)

20 January 2021

Subject: Risk Management Workshop
Aviation Security Training Centre (ASTC) Auckland, New Zealand
(Virtual-class delivery, 12 to 16 April 2021)

Action required: Reply by 5 March 2021

Sir / Madam,

In accordance with ICAO's objective to support Member States in meeting their obligations for civil aviation security under the Chicago Convention, and to promote the strengthening of aviation security worldwide, I am pleased to inform you that ICAO's **Risk Management Workshop** has been enhanced, re-developed and being offered **as a virtual Workshop on an online-based platform** at the ICAO ASTC in Auckland, New Zealand, from **12 to 16 April 2021**.

This five-day interactive workshop designed for aviation security management personnel, which will be delivered **in English**, focuses on risk management as it applies to protecting civil aviation against acts of unlawful interference. The workshop will provide participants with the opportunity to assess risk through the identification and evaluation of threats, consequences and vulnerabilities. This workshop will expose participants to guidance material incorporated in the ICAO Global Risk Context Statement and provide the skills necessary to apply risk management methodology when determining the appropriate level of security measures to be implemented. Enhancing Risk Awareness and Response is a priority area within the **ICAO Global Aviation Security Plan (GASeP)**, and delivering the Risk Management Workshop is a key to its successful implementation.

Nominees should be directly involved in the assessment or management of threats, vulnerabilities and/or risk on behalf of their State, and may include but not limited to, the appropriate authority for aviation security, National Police, Intelligence Services, authority of airports/ airlines and other aviation security stakeholder.

In view of the travel restrictions imposed by States due to the COVID-19 pandemic, this workshop will be delivered via a **virtual classroom setting and an online-based platform**. Therefore, the nominees are not expected to physically travel or commute to the training venue but will need to ensure access to stable internet access for the duration of the course. Necessary arrangements for the virtual-class participation will be further advised to the accepted nominees in due course.

e-mail: apac@icao.int

Please be advised that a fee of **US \$500.00**, or the equivalent amount in local currency where the ASTC is based, will be charged to each selected participant to cover basic administration costs.

You are invited to nominate suitable candidates to attend this workshop using the enclosed nomination form (one per nominee). All nomination forms **must** be completed in full and authorized by the appropriate authority for aviation security of your State through official means. The closing date for nominations to **reach this Office (apac@icao.int) is 5 March 2021** in order to enable sufficient time for processing of the training event.

Selections will be made based on qualifications and experience. In order to ensure the quality of the training delivery, there are limitations on the maximum number of participants and nominations from each State will be considered on a space-available basis. For this reason, if a State is nominating more than one participant then it is important for the State to indicate the priority order of selection for each of their nominations and that all nominations are received by the deadline.

Candidates will be notified by ICAO of their nomination status once selections have been finalized.

Please note that participants who present themselves at the workshop without having been properly nominated and accepted will not be admitted. Those who have been accepted but do not attend the entire workshop will not receive a certificate at the end of the training event. Should a State wish to withdraw a nominee from a workshop after selection, ICAO and the ASTC must be notified as early as practicable, before the commencement of the training event.

Please accept, Sir/Madam, the assurances of my highest consideration.

Manjit Singh
Deputy Regional Director
